Points of Contact:

Contracts Officer: Phoebe Stelle

Business Development: Julian Baena

Recently named Best in Class by OMB, the 8(a) STARS II GWAC is a multiple-award, indefinite-delivery/indefinite-quantity (ID/IQ) contract engineered to provide federal agencies flexible sources of IT services and IT services-based solutions. The scope of the 8(a) STARS II GWAC is centered on Two Constellations based on Industry accreditation and four functional areas, Offering simple to complex IT service solutions such as IT help desk support, information assurance, cyber-security, virtualization, IPv6, Web 2.0, and more.

Four functional areas (FAs), derived from the North American Industrial Classification System (NAICS):

- Custom Computer Programming Services (NAICS 541511)
- Computer Systems Design Services (NAICS 541512)
- Computer Facilities Management Services (NAICS 541513)
- Other Computer Related Services (NAICS 541519)

GSA 8(a) STARS II (GWAC) is currently in the option period (August 31, 2016, to August 30, 2021), Orders issued on or before August 30, 2021 may continue performance through August 30, 2024. SimIS was awarded a 5-year contract during the GSA (a) STARS II open season. 8(a) STARS II allows for directed task orders up to \$4 Million, including options. Orders more than \$4 Million must be competed among the industry partners in your chosen constellation and functional area.

8(a) STARS II offers fixed price, time and materials, labor hour, and blended task order types; providing greater flexibility in procuring IT service solutions to meet your mission requirements. STARS II is a pre-competed, easy-to-use contract with streamlined ordering procedures based on FAR 16.505, so procurement lead time is greatly reduced.
